Docket No. 98N-1265
Food and Drug Administration
5600 Fishers Lane⁹⁹ APR 13 MD 40
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I have used both individually compounded
pharmaceuticals and those from large corporations.
ONLY the individually compounded products work for
me. Without them, I become a total wreck
physically & emotionally. Please stay out of
my choice of medicines.
